

# The Red Bird Model 51

Besides being one of the prettiest, is one of the strongest and easiest running wheels on the market. Made in three styles—track racer, road racer and roadster.

If you would ride in front, ride a Red Bird.

We have the largest and most complete repair shop in the Province. Enamelling in all colors, etc. All work guaranteed.

We also have the largest stock of renting wheels which are kept in perfect condition.
